

PARTEEK TUSHIR

FULL STACK / WEB DEVELOPER

Jhijnholi, Sonipat, Haryana | 9582101438 | patiktushir4@gmail.com

PROFESSIONAL SUMMARY

Motivated and self-driven Web Developer with hands-on learning experience since Class 10. I have completed my 12th from an HBSE English-medium school and studied Web Development from INT Institute. I have good computer knowledge and enjoy building attractive, responsive and interactive websites. I am looking to start my professional journey in web development and grow as a Full Stack Developer.

EDUCATION

12th — HBSE	English Medium School	Passing Year: 2025–2026
Web Development	INT Institute	Completed / Training

TECHNICAL SKILLS

- **Web Development:** HTML, CSS, JavaScript
- **Programming / Development:** Basic Python, JavaScript-based web development
- **Computer Skills:** Good computer knowledge and practical computer usage
- **Other:** Responsive UI design, website structure, interactive features, basic debugging

WEB DEVELOPMENT EXPERIENCE

Started learning Web Development from Class 10 and have continued developing practical skills through personal website projects and coding practice.

- Create responsive and attractive web pages using HTML and CSS.
- Add interactive features and functionality using JavaScript.
- Practice building complete website interfaces and user-focused layouts.
- Continuously learn new development concepts and improve coding skills.

CAREER OBJECTIVE

To begin my career as a Web / Full Stack Developer where I can use my existing development skills, learn from experienced professionals, contribute to real projects, and grow into a strong professional developer.
